

# Ode to Serotonin

## Nightmare Of You

Suddenly sprightly budding through the billows  
The sun is bobbing heavenly against the tree's  
With bee's buzzing  
Their sucking nectar from a flower  
And if we could have this hour for a lifetime  
We'd smile blinking, glee,  
Laughing till we're gagging violently  
A soaring dove  
I'm quite sure this is love

I'm utterly depraved  
Lets do it on your terrace  
And the rain will catch the notches on our backs  
Exchanging speak through our sloppy kisses  
Where water tastes like perfume on the tongue  
We're meant, symmetrically  
Hand in hand we're strolling gorgeously  
A soaring dove  
I'm quite sure this is love

We'd smile blinking, glee,  
Laughing till we're gagging violently  
A soaring dove  
I'm quite sure this is love

A soaring dove  
I'm quite sure this is love  
A soaring dove  
I'm quite sure that this could be love
