

Paradise Awaits (FKJ Remix)

ZHU

I'm through with this mighty city
Walking around, just stuck in my shit
Conversation based around just sex,
Words at the tip of my tongue (oh damn, baby!)
I'm through with this mighty city
Tell me one thing I must forget,
Thinking about the naked women in my bed
Lost at the tip of my mind (oh damn, baby!)I'm through with this mighty city
Walking around, just stuck in my shit
Conversation based around just sex,
Words at the tip of my tongue (oh damn, baby!)
I'm through with this mighty city
Tell me one thing I must forget,
Thinking about the naked women in my bed
Lost at the tip of my mind (oh damn, baby!)I need to be your lover
I need to be your king
I need to be your lover
I need to be your king
I need to be your lover
Everything in between!
I need to be your lover
You need to be my queen
Kiss me in my dreams
And tell me paradise is what we see!I can't see your face (see your face like that)
Kiss me in my dreams (why don't you kiss me?)
Don't be heart blowing (I won't wake you)
Paradise awaits (yeah, it's waiting!)Baby, you wanna love me,
Baby, you wanna touch me,
Baby, you wanna kiss me,
It's alright!
Baby, you wanna love me,
Baby, you wanna touch me,
Baby, you wanna kiss me,
It's alright!I'm through with this mighty city
Walking around, just stuck in my shit
Conversation based around just sex,
Words at the tip of my tongue (oh damn, baby!)
I'm through with this mighty city
Tell me one thing I must forget,

Thinking about the naked women in my bed
Lost at the tip of my mind (oh damn, baby!)(Baby, you wanna love me)
(Baby, you wanna love me)
(Baby, you wanna love me)I need to be your lover
I need to be your king
I need to be your lover
Everything in between!
I need to be your lover
You need to be my queen
Kiss me in my dreams
And tell me paradise is what we see!I can't see your face (see your face like that)
Kiss me in my dreams (why don't you kiss me?)
Don't be heart blowing (I won't wake you)
Paradise awaits (yeah, it's waiting!)Baby, you wanna love me
Yeah, oh, oh, yeah
Baby, you wanna love me
Yeah, oh, oh, yeah
Hey, baby!
