

# Glass House

Luke James

You changed, where do we go babe  
You changed, should've left it all the same  
But you changed  
I'd look the other way  
But I can't, did you think it wouldn't break? Like it wasn't gone break You changed, what happened to my baby  
'Caused she changed, we both were just the same  
But you changed, did you even know my name  
I always right there babe  
No matter what they had to say Ooooo ooooo  
Like it wasn't gone break Throw rocks at a glass house  
Like it wasn't gone break  
Like it wasn't gone break  
Like it wasn't gone break  
Throw rocks at a glass house  
Like it wasn't gone break  
Like it wasn't gone break  
Like it wasn't gone break I've changed. My heart don't beat the same  
Girl I've changed and you're the one to blame  
Yes I change every since you babe, love don't feel the same You've brokin' me! Throw rocks at a glass house  
Like it wasn't gone break  
Like it wasn't gone break  
Like it wasn't gone break  
Throw rocks at a glass house  
Like it wasn't gone break  
Like it wasn't gone break  
Like it wasn't gone break Ooooooooooooo  
Oooooooooiiii
