

# The Well & The Lighthouse

## Arcade Fire

i'm serving time  
all for a crime i did commit  
you want the truth?  
you know i'd do it all again  
left for dead  
heaven is only in my head  
(in my head) x5  
i heard a voice calling from down inside a well  
(so let silver shine)  
she said to come claim what was mine  
so down i fell, down into the water black  
my prison cell, only the moon was shining back  
(shining back) x9  
if i seem lost  
well i weighed the cost  
and chose my crime  
now, it's mine  
all mine

i heard the voice calling from just outside the well  
she said "you fool, now that you know your end is near  
you always fought for what you desire, what you fear"  
(what you fear) x14  
resurrectin' livin' in a lighthouse  
if you leave, them ships are gonna wreck  
resurrectin' livin' in a lighthouse  
the lions and the lambs aint sleepin' yet  
resurrectin' livin' in a lighthouse  
can you see the funny side? the ships are gonna wreck  
resurrectin' livin' in a lighthouse  
the lions and the lambs aint sleepin' yet  
the lions and the lambs aint sleepin' yet  
the lions and the lambs aint sleepin' yet
