

Bad Girls

Westlife

Good things, good things that bad girls do
Bra top, tank top
Doesn't really matter 'cause they're all so hot
I'm going loco in Puerto Rico
Dark hair, tanned skin
Skating on the beach, playin' innocent
They drive me crazy in Miami
They know, how to, make me
Want it, crave it, need it
I love how they tease me
It's the good things that bad girls do
That makes me want to sweat, feel them wet
All over my body
It's the good things that bad girls do
Each city day or night
They're so fine, I'm going out my mind
Good thing, good things that bad girls do
Nice smile, so wild
Every girl wants to get her party on
They break all the rules, in Cancun
So sweet, you need
You constantly pinch yourself to believe
The games that they play, down in L.A.
They know, how to, make me
Want it, crave it, need it
I love how they work it
It's the good things that bad girls do
That makes me want to sweat, feel them wet
All over my body
It's the good things that bad girls do
Each city day or night
They're so fine, I'm going out my mind
London city and Madrid got some bad girls
Mexico and Brazil got some bad girls
Dublin City and Djakarta's got some bad girls
Stockholm city and Berlin got some bad girls
Kuala Lumpur and Miami got some bad girls
Gotta really really love those bad girls
Got a thing got a thing for the bad girls
And the things they do
Good thing, good thing that bad girls do
It's the good things that bad girls do
That makes me want to sweat, feel them wet
All over my body
It's the good things that bad girls do
Each city day or night
They're so fine, I'm going out my mind
It's the good things that bad girls do
That makes me want to sweat, feel them wet
All over my body
It's the good things that bad girls do

Each city day or night
They're so fine, I'm going out my mind
