

# Breakaway (Napster Live)

## Kelly Clarkson

Grew up in a small town  
And when the rain would fall down  
    I'd just stare out my window  
    Dreamin' of what could be  
    And if I'd end up happy  
I would prayTrying hard to reach out  
    But when I tried to speak out  
    Felt like no one could hear me  
    Wanted to belong here  
But something felt so wrong here  
    So I pray

I could breakawayI'll spread my wings, and I'll learn how to fly  
    I'll do what it takes till I touch the sky  
    And I'll make a wish  
        Take a chance  
        Make a change  
        And breakaway  
    Out of the darkness and into the sun  
    But I won't forget all the ones that I love  
        I'll take a risk  
        Take a chance  
        Make a change  
    And breakawayWant to feel the warm breeze  
        Sleep under a palm tree  
        Feel the rush of the ocean  
        Get on board a fast train  
        Travel on a jet plane  
        Faraway

And breakawayI'll spread my wings, and I'll learn how to fly  
    I'll do what it takes till I touch the sky  
    And I'll make a wish, take a chance, make a change  
        And breakaway  
        Out of the darkness and into the sun  
        I won't forget all the ones that I love  
    I gotta take a risk, take a chance, make a change  
    And breakawayBuildings with a hundred floors  
        Swinging 'round revolvin' doors  
        Maybe I don't know where they take me  
        But gotta keep movin' on

Movin' on  
Fly away  
BreakawayI'll spread my wings, and I'll learn how to fly  
Though it's not easy to tell you goodbye  
I gotta take a risk, take a chance, make a change  
And breakaway  
Out of the darkness and into the sun  
But I won't forget the place I come from  
I gotta take a risk, take a chance, make a change  
And breakaway  
Breakaway  
Breakaway
