

# Anyone But Him (Ft. Kanye West)

## Mr Hudson

Anyone but him  
I'd rather hear you had the whole football team  
Than have to watch his filthy lips on your skin  
Anyone but him  
Anyone but him With schoolboy fists, we can take this outside  
But knowing my luck that fuck could win  
Anyone but him Who's gonna take you home, who's gonna take you home  
Who's gonna take you home, if it isn't me  
If it isn't me, if it  
Anyone but him My blood boils as my eyes turn green  
Is this the best of the best of the scene  
Anyone but him  
Anyone but him With schoolboy fists we can take this outside  
But knowing my luck that fuck could win  
Anyone but him Who's gonna take you home, who's gonna take you home  
Who's gonna take you home, if it isn't me  
If it isn't me, if it  
Anyone but him Look past the leather and the dash and the rims  
And you'll see his whole hustle wears thin  
Anyone but him  
Anyone but him He's gonna take what you can't take back  
Then's he's gone out the door on a whim  
Anyone but him Who's gonna take you home, who's gonna take you home  
Who's gonna take you home, if it isn't me  
If it isn't me, if it Now when she go black, she ain't never coming back  
I'm sorry Mr. H, I thought you already knew that  
You'll see her on a black street like Chauncey  
I'm a bad boy like Sean C.  
Roc-A-Fella like S C.  
Keep them Apes with me like Don C  
Like Jay, keep Beyonce  
I'm just talking nonsey, so nonchalantly  
See my Mark like Ronsy  
Pop my collars like Fonzy  
Paparazzi is on me  
I see your girl want me, I'm filling up her glass  
Feeling on her ass, feeling so upper class  
And your boy, so fresh  
I might even flash cash So at the end of the night, you ain't even gotta ask

Who's gonna take you home, who's gonna take you home  
Who's gonna take you home, if it isn't me  
If it isn't me, if it isn't me  
If it isn't me Who's gonna take you home, if it isn't me  
Who's gonna take you home, if it isn't me  
If it isn't me Who's gonna take you home, who's gonna take you home  
Who's gonna take you home, if it isn't me  
If it isn't me, if it isn't me
