

# Don't Close Your Eyes (Re-Recorded / Remastered)

## Kix

What's you're doing out in the night time  
Won't you call me on the phone  
Your mama can't solve your problem  
When's daddy ever get homeSo you think you're a little bit wild  
In the middle of the suicideDon't close your eyes  
Don't close your eyes  
Don't sing your last lullabyNo one there to hold you  
No one is your friend  
You live life up and down now  
Nightmares on your brainAnother lonely way of hanging round  
Don't you take it falling down no noHold on hold on tight  
I'll make everything all right  
Wake up don't go asleep  
I'll pray the lord  
Your soul to keepDon't close your eyes  
Don't close your eyes  
Don't sing your last lullabyDon't close your eyes  
Don't close your eyes  
Don't sing your last lullaby
