Take A Ride

Everlife

Yeah
I own fame Hollywood
I own my neighborhood
Big isn't bad and nobody has to be sad
Bigger excuse to be the one we had
No more voices tracking me down
Only a better day
All I wanted was a second chance to live again
All I needed was to know that I can really see again
Call me a freak, call me a poser
You know I love to run with the holy ghost, yeah
Do you wanna take a ride
Come on people step inside
Yeah
Bitter sweat century
Taste great what a fate
If I do what I do 'cause I don't care about you
All I can be no one will ever see
No one wants a tragedy
Only a remedy, only a remedy
All I wanted was a second chance to live again
All I needed was to know that I can really see again
Call me a freak, call me a poser
You know I love to run with the holy ghost, yeah
Do you wanna take a ride
Come on people step inside
Oh
Take a ride ooo, take a ride ooo
Step inside ooo, second chance to live again
All I wanted, all I wanted
All I needed, all I needed
All I wanted was a second chance to live again
All I needed was to know that I can really see again
Call me a freak, call me a poser
You know I love to run with the holy ghost, yeah
Do you wanna take a ride
Take a ride
Do you wanna take a ride
Come on people take a ride

Yeah
Yeah
I wanna take
I wanna take a ride
