

It Ends Tonight

The All-American Rejects

Your subtleties, they strangle me
I can't explain myself at all
And all the wants and all the needs
All I don't want to need at all
The walls start breathing, my mind's unweaving
Maybe it's best you leave me alone
A weight is lifted on this evening
I give the final blow
When darkness turns to light
It ends tonight, it ends tonight
A falling star, at least I fall alone
I can't explain what you can explain
You're finding things that you didn't know
I look at you with such disdain
The walls start breathing, my mind's unweaving
Maybe it's best you leave me alone
A weight is lifted on this evening
I give the final blow
When darkness turns to light
It ends tonight, it ends tonight
Just a little insight won't make this right
It's too late to fight, it ends tonight, it ends tonight
Now I'm on my own side
It's better than being on your side
It's my fault when you're blind
It's better that I see it through your eyes
All these thoughts locked inside
Now you're the first to know
When darkness turns to light
It ends tonight, it ends tonight
Just a little insight won't make this right
It's too late to fight, it ends tonight
It ends when darkness turns to light
It ends tonight, it ends tonight
Just a little insight won't make this right
It's too late to fight, it ends tonight, it ends tonight
Tonight, inside
When darkness turns to light
It ends tonight
