

Uno Uno Seis

Andy Mineo

[Chorus]

Uno Uno Seis

Una Uno Uno Seis

Una Uno Uno Seis

Please don't get up in my way

[4x]

My vatos in Cali

Dominicanos up in N.Y.

Cubanos in Miami

Colombianos we worldwide

I rep that Wash Heights like all day, it's unashamed like cosmay

I try to walk that narrow path, but your boy live off of broadway

I took the A-train to 1-6-8, Dominicanos playin dominoes

And them platanos all on my plate, New York in my mind state

But you know we take it international, we finna to follow anywhere the master goes

So we hang with and bang with every language even though we speakin that Spanglish like

Dimelo loco, chacho let's go, vamonos we out here oh

Mi amigos y yo venimos from the West Side to the East Coast so

Aint nobody rappin like this what

Unashamed the name of my clique yup[?]

Todos los dias, hermanito, dale ya tu sabe ahh

[Chorus]

Uno Uno Seis

Una Uno Uno Seis

Una Uno Uno Seis

Please don't get up in my way

[4x]

This is for my vatos in Cali

Dominicanos up in N.Y.

Cubanos in Miami

Colombianos we worldwide

I'm on my uno (uno) uno (uno) seis you know my crew bro

Unashamed since 02 bro, before the 1-1-6 tattoos bro

Now you don't really know if you got time like that

To hear the truth and fellas never mind like that

Or we unashamed of but then again spit it how we live it so we get it on a grind like that

From Tejas and that's Texas, A-T-L's where I'm resting
Said I might catch a plane to rep for my King, Puerto Rico's on my checklist
Boricuas, Cubanos, perdonen mi espa
