Your Night To Shine

Clem Snide

You're hiding behind
that wolverine smile
with your fist in my mouth
it's your night to shineThe dance floor's ours
and we care not for time
as I crawled at your feet
it's your night to shine
it's your night to shine
Mustard gas smell
but I do not complain
as the blood fills my lungs
it's your night to shine
it's your night to shine
it's your night to shine
it's your night to shine
