

Soldier of Fortune

Thin Lizzy

A soldier of fortune came home from war
And wondered what he was fighting for
This sad-eyed soldier, he broke down and cried
Oh he was so broke up insideWhen will it end? When will it end?
The bells toll for those about to dieThe battles over, the war is won
But this soldier of fortune, he will carry on
He will carry on when all hope is gone
He will carry onHes trained to kill and kill he will
As we march along
Singing just another soldier song
Just another soldier songI am a soldier of fortune
Destined to keep on marching
I can hear the pipers callingI am a soldier of fortune
Destined to keep on marching
I can hear the pipers calling
