This Girl

Larkin Poe

See this girl
Infront of you
What will you do

See this girl
She is yours
How will you ashore her

Take her in your arms
And never let her come to heart
Fill her days with joy
And never make her heart your toy

See these tears
On her face
Why are they their
Is it all some mistake
Did you really care
Did you forget
Her heart your greatest treasure

Did you take
What you wanted
Just for your pleasure

Take her in your arms
And never let her come to heart
Fill her days with joy
And never make her heart your toy

See this girl
Infront of you
What will you do

See this girl
She is yours
How will you ashore her

Take her in your arms
And never let her come to heart

Fill her days with joy
And never make her heart your toy

Please don't make my heart your toy
Please don't make my heart your toy
