Lottery

Dirtyphonics

(Stevie Stevie)
(Oh oh)
I'm a take a chance on u
(Oh oh)
Huuu
Never been the type to gamble
But I've never met a girl like u
Never opened up my heart before
Cause I thought I had too much to lose
[Hook:]But I'm tired of living life alone
Need a girl that I can call my own
So I'm gonna give up everything
So try to win
[Chorus:]Gonna play this like the lottery
Don't know if I'm win or lose
Just like the lottery
Girl I'm a put my money on u
If I get it right, I can change my life
I'm tired of all these lonely nights

Just like the lottery
Girl I'm a take a chance
I'm a take a chance on u
(Oh wo oh wo) I'm a take a chance on u
(Oh wo oh wo) I'm a take a chance on u
(Oh wo oh wo) I'm a take a chance on u
(Oh wo oh wo)
Never believed in fairy tales
Never thought dreams could come true
But u could be my lucky number girl
Got me all opinions winning on u
[Hook][Chorus]It's the risk I'm gonna take for love
(I'll do whatever girl)
Cause I think that u could be the one
I don't care what people say
(They don't know about us)
Baby I'm ready to play
(I'll put my trust in that)
Could u be what I've been waiting for

[Chorus]
