Poison the Well

Gouge out my eyes, pestilence
Lack of love binds, propagate
The strife you desireKeep me from forced self depiction, aberrate
Self assured I am no more
Take this away from me once moreThirsted for something that never existed
Complacent, I am abomination, I replace
Absence of malice, sew my mouth shutThe silent sound of the end, I drown in tears
Sinking in dreams of what I once owned
I avoid the setting of the sun
I avoid the setting of the sun
