Bye Bye

Chordashian

One look from me is like poison
You'll kiss the ring and watch the throne
You know ur mine to toy with, til' I decide to let u go
You get high off just a lil and I like it
Work u up and you'll neva settle, yea I like itCause I just wanna play tonight, got u meltin' in my palm like ice
And u just want to say that you're mine
Watch me bring u to the edge and say bye bye
Watch me bring u to the edge and say bye bye.
Bye bye, bye bye, bye bye
Bye bye, bye bye, bye byeGot u wrapped in golden chains
Don't need a lock cause I know you'll stay
You're only here to entertain, till I decide to throw u away
You get high off just a lil and I like it
Work u up and you'll neva settle, yea I like itCause I just wanna play tonight
Got u meltin' in my palm like ice
And u just wanna say that you're mine
Watch me bring u to the edgeCause I just wanna play tonight
Got u meltin' in my palm like ice
Beggin' on ur knees, but you're mine
Watch me bring u to the edge
You know I wanna play tonight
And if u're lucky maybe I'll be nice
You just want to say that you're mine
Watch me bring u to the edge and say bye byeBye bye, bye bye, bye bye
Bye bye, bye bye, bye bye
