Lamp Halo

Zeromancer

It's my life, yeah, I know
It's not a perfect one, but
It's a life I can live withIt's my life, yeah, I know
It's not a perfect one, but
It's a life I can live withBut you don't know
If you can
And you don't know
If you want'Cause you don't know
If I'm the right one
And you don't know
Well, let me tell youThere's something inside
That's freaking me out
Please don't leave me aloneSomething inside me
Is wearing me out
Please don't, don't do it againJust like a fly on a jar
Twinkle, twinkle little star
You don't feel like you belong hereBut it's your life
Even though it's not perfect
It's a life you can live with'Cause you don't know
If you are
And you don't know
Well, let me tell youThere's something inside
That's freaking me out
Please don't leave me aloneSomething inside me
Is wearing me out
Please don't, don't do it againSomething inside me
Is wearing me out
Please don't, don't do it againSomething inside
Is freaking me out
Please don't leave me aloneSomething inside me
Is wearing me out
Please don't, don't do it again
Don't do it again
