

# Don't Walk Away

Shawn McDonald

And when I look into your eyes  
I see the hurt and the confusion  
The pain as it rolls down your face  
And the questions in your mind And I know  
'Cause I've been there  
Yes, I know  
'Cause I've been there time and time again And don't you walk, don't you walk away  
'Cause He will never desert you  
He'll never let you down  
Don't walk away from Him, no, no, no, no, no, no, no, no You're always telling me that you don't need to change  
That you're fine with who you are  
When I look at you, I see you filling your life  
With all that you can find Hoping and wishing this world can bring you  
A little peace of mind  
Well, stop looking  
'Cause it is right in front of your eyes Don't you walk, don't you walk away  
No, no, no, no  
'Cause He will never desert you  
And never let you down Don't walk away  
'Cause He'll never give up on you today  
No, don't walk away  
'Cause He'll never let you go, no, no, no, no, no Don't walk away  
Don't walk away  
'Cause He'll never let you go today  
Don't walk away from Him
