

Only When I Lose Myself

Depeche Mode

Did I?
Did I need to sell my soul
For pleasure like this? Did I need to sell my soul?
Did I need to sell my soul?
Did I need to sell my soul? Did I need to sell my soul
For pleasure like this? Did I need to sell my soul
For pleasure like this? To pleasure like this
Pleasure I find myself
I live this myself Something
Something
Something I can feel the emptiness
I can feel the emptiness
I can feel the emptiness I can feel the emptiness inside me fade and disappear
I can feel the emptiness inside me fade and disappear
