

Could I Have This Kiss Forever

Whitney Houston

Over and over, I look in your eyes

 You were all I desire

 You have captured me

 I want to hold you

 I want to be close to you

I never want to let goI wish that this night would never end

 I need to knowCould I hold you for a lifetime?

 Could I look into your eyes?

 Could I have this night to share this night together?

 Could I hold you close beside me?

 Could I hold you for all time?

 Could I, could I have this kiss forever?

Could I (could I), could I have this kiss forever? (forever, forever, forever)Over and over I've dreamed of this
 night

 Now you're here by my side

 You are next to me

 I want to hold you

 And touch you and taste you

 And make you want no one but me

 I wish that this kiss could never end, no no

 Oh, baby pleaseCould I hold you for a lifetime?

 Could I look into your eyes?

 Could I have this night to share this night together?

 Could I hold you close beside me?

 Could I hold you for all time?

 Could I (could I) could I have this kiss forever?

Could I (could I), could I have this kiss forever? (forever) and everI don't want any night to go by

 Without you by my side

 I just want all my days

 Spent being next to you

 Lived for just loving you

And baby, oh by the wayCould I hold you for a lifetime?

 Could I look into your eyes?

 Could I have this night to share this night together?

 Could I hold you close beside me?

 Could I hold you for all time?

 Could I, could I, could I have this kiss forever?

Could I, could I, could I have this kiss forever? Forever(Could I have this kiss forever?

 Could I have this kiss forever?

Could I have this kiss forever?)Dame un beso para siempre (para siempre)(Could I have this kiss forever?)Dame
un beso para siempre(Could I have this kiss forever?) para siempreCould I have this kiss forever?
Could I have this kiss forever?
