

Ramble On

Great White

Leaves are falling all around
It's time I was on my way
Thanks to you, I'm much obliged
For such a pleasant stay But now it's time for me to go
The autumn moon lights my way
And I smell the rain and with it, came
And it's headed my way Oh, sometimes I grow so tired
But I know I've got one thing I got to do Ramble on and now's the time, the time is now
Sing my song, I'm goin' 'round the world I got to find my girl
I'm on my way, I've been this way ten years to the day
Ramble on, gotta find the queen of all my dreams Got no time to for spreadin' roots
The time has come to be gone
And to our health we drank a thousand times
It's time to ramble on Ramble on and now's the time, the time is now
Sing my song, I'm goin' 'round the world I got to find my girl
I'm on my way, I've been this way ten years to the day
Ramble on, find the queen of all my dreams, I tell no lies Mine's a tale that can't be told
My freedom I hold dear
How years ago in days of old
When magic filled the air T'was in the darkest depths of Mordor
I met a girl so fair, but Gollum and the evil one
Crept up and slipped away with her, her, her, yeah
I had nothing I could do, no, I guess I'll keep on Rambling, I'm gonna shake it
Gonna find my baby, I'm gonna ramble on
Sing my song, gonna work my way
Going 'round the world, ramble on yeah, yeah
Do, do, do, do my ramble on, yeah I can't stop this feelin' in my heart
Every time I think about it till I'm having a ball
Baby, baby, baby, baby, baby, baby, baby, baby
I gotta keep searchin' for my baby Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
I keep on ramblin', baby, I keep on ramblin', baby
I keep on ramblin', baby, I keep on ramblin', baby
