Get Like Me

Chris Brown ft.Yung Joc

She can't get like me
No boy, I could be
Your everything, oh
She on my frequency
Can't compete
Without my energy, no
She ain't got the powers up 'cause oh
I got that super girl love
If she's a star then I'm the sky
So let me light your world up
She got my moves
No matter what she do
She can't get like me
(No wizo wizay-ay)
She got no music
Tryna check my grove
But she can't get like me
She can't get like me
Could it be
The way I move my feet? Oh
It's my chemistry
I can't help it
That I'm so unique, so unique
She ain't got the powers up 'cause oh
I got that super girl love
If she's a star then I'm the sky
So let me light your world up
She got my moves
No matter what she do
She can't get like me
(No wizo wizay-ay)
She got no music
Tryna check my grove
But she can't get like me
She can't get it like me
Spit it like me
Did it like me
Dance to the baseline
Moving my waistline

Don't waste time
Let me see you just go
Who that be?
SG, with the girl MC
Fresh like we
Wet like me
Bet your girlfriend
Can't get like me
She don't like it
She don't like it
That you're hip in the scene
(No wizo wizay-ay)
She keep trying
She keep trying
But she can't get like me
She got my moves
No matter what she do
She can't get like me
(No wizo wizay-ay)
She got no music
Tryna check my grove
But she can't get like me
She can't get it
Like I can
If you can then
Do that dance
I think I can
I think I can
I think I can
I know I can
She can't get it
Like I can
If you can then
Do that dance
I think I can
I think I can
I think I can
I know I can
