Misty Blue

Lorrie Morgan

Oh, it's been such a long, long time
Looks like I get you off my mind
But I can't, just the thought of you
Turns my whole world a misty blueJust the mention of your name
Turns the flicker to a flame
I think of things we used to do
Then my whole world turns misty blueI should forget you
Heaven knows I tried
When I say I'm glad we're through
My heart knows I liedOh, it's been such a long, long time
Looks like I get you off my mind
Oh, but I can't, just the thought of you
Turns my whole world a misty blue
