

We Belong Together (tarzan And Jane)

[Steven Curtis Chapman](#)

Deep in the jungle, up in a tree
In Indiana, 1983
Living on pizza and too little sleep
Just me and my animal friends
Then in the distance I saw through the leaves
Creature of beauty like none I had ever seen
The trouble started when you smiled at me
And our two worlds came crashing together
And true love slowly began
I am Tarzan, you are Jane
I am the night and you are the day
We're like sunshine and rain
We're so different from each other
You are a woman, I am a man
You're the sea, and I am the land
And I would not be who I am
If I didn't have you
If I didn't have you
I know that some days we both wonder how
We ever got together, we're still so different now
But I can't imagine my life without you
'Cause all those things that make us so different
Are just what make us all that we are
I am Tarzan, you are Jane
I am the night and you are the day
We're like sunshine and rain
We're so different from each other
You are a woman, I am a man
You're the sea, and I am the land
And I would not be who I am
If I didn't have you
I am Tarzan, you are Jane
I am the night and you are the day
We're like sunshine and rain
We're so different from each other
You are a woman, I am a man
You're the sea, and I am the land
And I would not be who I am
If I didn't have you

If I didn't have you
If I didn't have you
We belong together
