Drawing Down the Moon

The Tea Party

Holding on
Once again
Take the time to look around
Is it all in vain
Can't you see
Stay with me

I need you now
To stop the rains
But you want to know how it feels
Until you have felt the same
Stay with me
Can't you see

Don't let me down
Stay with me
Don't leave me now
Stay with me
When darkness descends it's all you see
Don't let me down
Stay with me

You tell me what you want

She's drawing down the moon
I can see it in her eyes
I think it's too soon
I think she's going to cry
She's drawing down the moon
She should turn away
I think it's too soon
Can't she hear me when I say

You tell me what you want

Don't let me down
Stay with me
Don't leave me now
Stay with me
When darkness descends it's all we see

Don't let me down
Stay with me
