

# Only Love

## The Ting Tings

Ten outta ten, you're making me sigh  
Give a little more, just enough to get by  
I am a preacher, you are my sin  
Same old story since stories began  
Get out the booze meant for bad days  
We are on the rocks in more than one way  
I am a preacher, we can go far  
Throw all the baggage in the back of my car Don't get it wrong, don't get it right  
My offer won't wait, my offer won't wait  
I'll play along, I'll soon be gone  
My offer won't wait, my offer won't wait It's only love  
It's only love  
It's only love  
Only loooove And so, on a ten outta ten, a roof that's on fire  
Hey there, whatcha doing? Yeah, you're doing it right  
Hiding in a way that you wanna be seen  
But you're rolling around and around in my dream Don't get it wrong, don't get it right  
My offer won't wait, my offer won't wait  
Just go along, just say you're there  
My offer won't wait, my offer won't wait It's only love  
It's only love  
It's only love  
It's only loooove  
(Hey) Offer go late, offer go late  
Offer go late, offer go late  
Offer go late, offer go late  
Offer go late, offer go late
