

Queen of Hollywood

The Corrs

Yeah, yeah, oh, oh, yeah, yeah
She drove a long way through the night
From an urban neighborhood
She left her mother in a fight
For a dream misunderstood
And her friends they talk on corners
They could never comprehend But there was always something different
In the way she held a stare
And the pictures that she painted
Were of glamor and of flair
And her boyfriend though he loved her
Knew he couldn't quite fulfill
He could never meet her there She's never gonna be like the one before
She read it in her stars that there's something more
No matter what it takes, no matter how she breaks
She'll be the queen of Hollywood And the cynics they will wonder
What's the difference with this dream
And the dreams of countless others
All believing in TV
They see their hand prints in a sidewalk
Flashing cameras on the scene
And a shining limousine She's never gonna be like the one before
She read it in her stars that there's something more
No matter what it takes, no matter how she breaks
She'll be the queen of Hollywood (queen of Hollywood) She's believing in a dream
It's a loaded fantasy, yeah, yeah, yeah, yeah La da da, la da da
Now her mother collects cut-outs
And the pictures make her smile
But if she saw behind the curtains
It could only make her cry
She's got hand prints on her body
Sad moonbeams in her eyes
Not so innocent a child She's never gonna be like the one before
She read it in her stars that there's something more
No matter what it takes, no matter how she breaks
She'll be the queen of Hollywood (queen of Hollywood) No, she's never gonna be like the one before
She read it in her stars that there's something more
No matter what it takes, and even though she breaks
She'll be the queen of Hollywood (queen of Hollywood)

She is the queen of Hollywood
Queen of Hollywood (queen of Hollywood)
And her friends still talk on corners (queen of Hollywood)
Oh yeah, yeah, yeah, yeah, yeah
She is the queen of Hollywood
You see the queen of Hollywood, yeah
