Angel (remix)

Amanda Perez

It?s been five months since you went away
Left without a word and nothing to say
(Nothing to say)
When I was the one who gave you my heart and soul
But it wasn?t good enough for you, no
So I asked God
God send me an angel from the Heavens above
Send me an angel to heal my broken heart
From bein' in love ?cause all I do is cry
God send me an angel
To wipe the tears from my eyes
And I know it might sound crazy
But after all that I still loved you
You wanna come back in my life
But now there is something I have to do
I have to tell the one that I once adored
(That they can?t have my love no more)
'Cause my heart can?t take no more lies
And my eyes are all out of cries
So God
God send me an angel from the Heavens above
Send me an angel to heal my broken heart
From bein' in love ?cause all I do is cry
(All I do is cry)
God send me an angel
(Send an angel)
To wipe the tears from my eyes
Now you had me on my knees
Begging God please to send you back to me
I couldn?t eat, I couldn?t sleep
You made me feel like I could not breathe
(Breathe)
Now all I wanted to do was to feel your touch
And give you all my love
(Give you all my love)
But you took my love for granted
Want my lovin? now but you can?t have it God
God send me an angel from the Heavens above
(Send me an angel)

Send me an angel to heal my broken heart
From being in love
(Oh God)
?Cause all I do is cry
(Is cry)
God send me an angel
(Send me an angel)
To wipe the tears from my eyes
Oh God, send me
(God send me an angel)
An angel
(Wipe the tears from my eyes)
Oh baby
Send me an angel from the Heavens above
Send me an angel
(God send me an angel)
From being in love
(Send me an angel)
Oh God, send me an angel
Send me an angel
(Send me an angel)
