

Daughter

Colicchie

(Chorus)

I can barely breathe when Iâ€™m all alone
But Iâ€™ll be back soon from another show
You know Iâ€™ll never leave Iâ€™ll be by your side
And when weâ€™re not together you are on my mind
I promise that Iâ€™ll teach you all I know
Youâ€™re my missing piece when Iâ€™m feelin low
You bring me only joy from the tears I cry
And when weâ€™re not together you are on my mind

The only thing that keeps me going is my daughterâ€™s smile
Iâ€™m gonna make her proud of me regardless if it takes a while
Iâ€™m never givin up, Iâ€™m never throwin in the towel
Allowed the love to blossom, incredible, as I scream it loud
Anytime I see her face thatâ€™s all it takes
To bring me out the darkness in this world that I create
Escapin any place of hate when it is her and I together
Better endeavors at raisin her has been my biggest pleasure
Iâ€™m walkin in the other room, sheâ€™s tuggin on my shirt
Now Iâ€™m lookin in her eyes sayin, âœœDadaâ€™s gotta workâ€•
And daddy spends a lot of time travelin to make this money
But when weâ€™re holdin hands the weathers always sunny

Packed luggage, boardin pass, I have to leave again
But Iâ€™ll be back in fact to give her hugs before the season ends
Iâ€™m a father itâ€™s important that I raise her right
I always kiss my daughter on the head before I say goodnight

(Chorus)

Brielle Jane, youâ€™re special, yes youâ€™re my best friend
Iâ€™ll guide you through the struggle, always give you good direction
You know that Iâ€™m gonna be here for you til Iâ€™m dead and gone
Look, Youâ€™re my world, your nameâ€™s tatted on my arm
When it comes to us, thereâ€™s nothin that I wouldnâ€™t do
Iâ€™m your parent, letâ€™s be honest I would kill for you
This fatherhood is new to me, Iâ€™m learnin as I go and still
(I can barely breathe, barely breathe, barely breathe)
Youâ€™re gonna learn from me and never care what people think of you
Accept yourself without the help of other peopleâ€™s views

Iâ€™ll take you out for ice cream when I pick you up from detention
And buy you sneakers, hand bags, purses and prom dresses
Confidence follows with every goal that you accomplish
Yeah youâ€™re gonna have a bright future, thatâ€™s something I can promise
My main goal in life every day is to make you laugh
I love you baby girl, Iâ€™ll always have your back
(Chorus fade out)
