

The Emergency (Marcus Schässow Remix)

BT & Andrew Bayer

Emergency has passed...I watch you in the candlelight
My head is in your hands
The neon lights have all gone down
We make our future plansI wanted things to get better
I was in pain
I wanted you to be in my lifelineI wanted love to get better
I'd wait in line
For something I knew that I would get to keepYour "I love you"
Your "I love you"
Your "I love you"
And I can feel it bleeding
Your "I love you"
Your "I love you"
Today is the day
That I love youYour "I love you"
Your "I love you"
Your "I love you"
And I can feel it bleedingYour "I love you"
Your "I love you"
Today is the day
That I love youThe flashing lights have gone away
Emergency has passed
The future's right in front of me
And I won't finish last
Today is the day
That I love you
Today is the day
That I love youYour "I love you"
Your "I love you"
Your "I love you"
And I can feel it bleedingYour "I love you"
Your "I love you"
Today is the day
That I love youYour "I love you"
Your "I love you"
Your "I love you"
And I can feel it bleedingYour "I love you"
Your "I love you"
Today is the day

That I love youYour I love you...Emergency has past...
