

# Rome

Victor Young

Who's the boy you like the most?  
Is he teasing you with underage?  
Could he be waving from a tropical sunset?  
Static silhouette somehow  
Single in this bed someday  
Quiet till it fall, fall, falls!  
Rome, Rome, Rome, Rome

Focus looking forward the Colosseum  
Oh no, what did I say? What can I say?  
Rome, Rome, many tears have fallen here  
I'll be driving, you look the other way  
That ain't easy to ignore

When shutters open all the way  
When it's candlelight I see I go insane  
Distant silhouette somehow

We shared a cigarette somewhere  
Addict till it fall, fall, falls!

Rome, Rome, Rome, Rome  
Focus looking forward the Colosseum  
Oh no, what did I say? What can I say?  
Rome, Rome, many tears have fallen here  
I'll be driving, you look the other way

Rome, Rome, Rome, Rome  
Rome, Rome, Rome, Rome  
Rome, Rome, Rome, Rome

Rome, Rome, Rome, Rome  
Rome, Rome, Rome, Rome  
Rome, Rome, Rome, Rome  
Always and forevermore

I call to say I'm on the way  
2000 years remain in a trash can  
Let burn the cigarette somewhere  
Ashes till it fall, fall, falls!  
I stand outside under broken leaves  
I know I can't do without, the future's trying to wait  
I've never loved you and if I loved you  
I wouldn't say that I'm sorry, oh no  
I stand outside under broken leaves

Always and forevermore  
We're together dead and lonely  
I thought I couldn't do this without you  
Single in this bed somewhere  
Ashes till it fall, fall, falls!  
Rome, Rome, Rome, Rome  
Rome, Rome, Rome, Rome  
Rome, Rome, Rome, Rome  
?
