

Salinas Skies

Inna

Took a car to Rio
crossed the border to Mexico
Ten hours straight down to the sea
And my heart was racing
Cause I know that you'll be waiting Same time and place we always meet
Outside
drinking, the moonlight
You fill up all my fantasies
Outside
stars are in your eyes
We're dancing all night
more memories
One more time
under the Salina skies As I hold you in these arms of mine
One more time
under the Salina skies
Never mind siesta we can start own fiesta
We're the only ones left on the beach
Foamy like the ocean
let me drown in your emotions I'm ready to learn if you will teach
Outside
drinking, the moonlight
You fill up all my
my fantasies
Outside
stars are in your eyes
We're dancing all night
more memories
One more time
under the Salina skies
As I hold you in these arm of mine
One more time
let's celebrate our love tonight
I can tell by the look in your eyes
Next year, year,
We'll be right here, here
We'll meet again, babe
No sad goodbyes!
One more time

under the Salina skiesOne more time
under the Salina skies
As I hold you in these arms of mine
One more time
let's celebrate our love tonight
I can tell by the look in your eyes
Next year, year,
We'll be right here, here
We'll meet again, babe
No sad goodbyes!
One more time
under the Salina skies
