

# Firefly

## Southern Culture On The Skids

Fly firefly  
When I said go I never meant away  
You ought to know the freaky games we play  
Could you forgive and learn how to forget  
Hear me as I'm calling out your name  
Firefly come back to me  
Make the night as bright as day  
I'll be looking out for you  
Tell me that your lonely too  
Firefly come lead me on  
Follow you into the sun  
That's the way it ought to be  
Firefly come back to me  
Fly firefly  
You and me we shared a mystery  
We were so close like honey to the bee  
And if you tell me how to make you understand  
I'm minor in a major kinda way  
Firefly come back to me  
Make the night as bright as day  
I'll be looking out for you  
Tell me that your lonely too  
Firefly come lead me on  
Follow you into the sun  
That's the way it ought to be  
Firefly come back to me  
Fly firefly through the sky  
Come and play with my desire  
Don't be long don't ask why  
I can't wait another night  
Fly firefly through the sky  
Wait another night  
Don't be long  
Fire fire firefly  
Firefly come back to me  
Make the night as bright as day  
I'll be looking out for you  
Tell me that your lonely too  
Firefly come lead me on

Follow you into the sun  
That's the way it ought to be  
Firefly come back  
Firefly come back to me  
Make the night as bright as day  
I'll be looking out for you  
Tell me that your lonely too  
Firefly come lead me on  
Follow you into the sun  
That's the way it ought to be  
Firefly come back to me
