

National Movie Review (feat. Brad Roberts)

[Deltron 3030](#)

We interrupt this broadcast to bring you this special message... How's it goin' eh? today's movie on the Universal National Network is a classic. Starring in it, are two comedic geniuses of North American cinema from the 20th century, Bob and Doug McKenzie. Entitled "Strange Brew", it chronicles the heroic adventures of two latter day renaissance men, or, to use the correct 20th century terminology, hosers. We give it, 3 thumbs up.
