

Live a Lie (Intro)

Ty Brasel

Uh,momma said that i was destined,grandma said that I was special,I was just an adadlecent

Looking up the dope,selling all the coke

Feelings following the cove

Og had the og paster oz, Imma bring it flip it till its gone

Me,Cody killa at the pharmacy,provided streets what do you want

Homie said that I was running from it that I was just a rebel with a lost soul

I was trying to run my bands up and the gold rollie with the six-four

Impala passin trouble top model pass the urban pot the bottle
