

Say You Won't Let Go

Daniel Jang

I met you in the dark
You lit me up
You made me feel as though
 I was enough
We danced the night away
 We drank too much
 I held your hair back when
You were throwing upThen you smiled over your shoulder
 For a minute I was stone-cold sober
 I pulled you closer to my chest
 And you asked me to stay over
 I said, I already told you
I think that you should get some restI knew I loved you then
 But you'd never know
'Cause I played it cool when I was scared of letting go
 I knew I needed you
 But I never showed
 But I wanna stay with you
 Until we're grey and old
 Just say you won't let go
Just say you won't let goI wake you up with some breakfast in bed
 I'll bring you coffee
 With a kiss on your head
 And I'll take the kids to school
 Wave them goodbye
And I'll thank my lucky stars for that nightWhen you looked over your shoulder
 For a minute, I forget that I'm older
 I wanna dance with you right now, oh
 And you look as beautiful as ever
 And I swear that every day you'll get better
You make me feel this way somehowI'm so in love with you
 And I hope you know
Darling, your love is more than worth its weight in gold
 We've come so far my dear
 Look how we've grown
 And I wanna stay with you
 Until we're grey and old
 Just say you won't let go
Just say you won't let goI wanna live with you

Even when we're ghosts
'Cause you were always there for me
When I needed you most I'm gonna love you 'til
 My lungs give out
 I promise till death we part
 Like in our vows
 So I wrote this song for you
 Now everybody knows
 That it's just you and me
 Until we're grey and old
 Just say you won't let go
Just say you won't let go Just say you won't let go
 Oh, just say you won't let go
