

Woman

John Lennon

Woman I can hardly express
My mixed emotions at my thoughtlessness
After all I'm forever in your debt
And woman I will try to express
My inner feelings and thankfulness
For showing me the meaning of success ooh well
Woman I know you understand
The little child inside the man
Please remember my life is in your hands

And woman hold me close to your heart
However distant don't keep us apart
After all it is written in the stars ooh well
Woman please let me explain
I never mean(t) to cause you sorrow or pain
So let me tell you again and again and again
(I love you now and forever)
