

Won't Fall In Love Today

Suicidal Tendencies

Baby, don't you be blue
You know that I'll always be true
You know that I'll always love you
And we'll always be together, too
Over a thousand things I can say to you
Half of which would be untrue
But the one thing for sure I can say
Is that I won't fall in love today
Baby when you hold me tight
You know everything will be alright
So let's not take any time to fight
Because I love you with all my might
Over a thousand things I can say to you
Half of which would be untrue
But the one thing for sure I can say
Is that I won't fall in love today
You make me feel like a man
When we're rolling in the sand
So come and take me by the hand
And do the things you know we can
Over a thousand things I can say to you
Half of which would be untrue
But the one thing for sure I can say
Is that I won't fall in love today, yeah
