

# Beggars Can't Be Choosers

[Lynn Anderson](#)

Beggars can't be choosers anyhow  
Here I am I'm waiting at your feet again hoping that a crumb of love might fall  
Wishing you'd give all your love to me but then beggars can't be choosers after all  
Hand me down your hand-me-downs I don't care old left-over kisses I'm not proud  
I'll take any love you think you can spare beggars can't be choosers anyhow Why can't our love be the way it  
used to be that would take a miracle I guess  
Maybe you've forgotten oh baby this is me begging one more chance for happiness  
Hand me down your hand-me-downs  
I'll take any love you think you can spare beggars can't be choosers anyhow
