

I Want To Be A Clone

Steve Taylor

I'd gone through so much other stuff
that walking down the aisle was tough
but now I know it's not enough
I want to be a cloneI asked the Lord into my heart
they said that was the way to start
but now you've got to play the part
I want to be a clonechorus:
Be a clone and kiss conviction goodnight
cloneliness is next to Godliness, right?
I'm grateful that they show the way
'cause I could never know the way
to serve him on my own
I want to be a cloneThey told me that I'd fall away
unless I followed what they say
who needs the Bible anyway?
I want to be a cloneTheir language it was new to me
but Christianese got through to me
now I can speak it fluently
I want to be a clone(chorus)Send in the clones
Ah, I kind of wanted to tell my friends and people about it, you know
What?
You're still a babe
you have to grow
give it twenty years or so
'cause if you want to be one of his
got to act like one of us(chorus)So now I see the whole design
my church is an assmebly line
the parts are there
I'm feeling fine
I want to be a cloneI've learned enough to stay afloat
but not so much I rock the boat
I'm glad they shoved it down my throat
I want to be a cloneEverybody must get cloned
