True Faith

Ghoti Hook

I feel so extraordinary, somethin's got a hold on me
I get this feelin' I'm in motion, a sudden sense of liberty
I don't care 'cause I'm not there and I don't care if I'm here tomorrow
Again and again I've taken too much of the things that cost you too muchI used to think that the day would never come
I'd see the light in the shade of the mornin' sun
My mornin' sun is the drug that brings me near
To the childhood I lost, replaced by fear
I used to think that the day would never come
That my life would depend on the mornin' sunWhen I was a very small boy, very small boys talked to me
Now that we've grown up together, they're afraid of what they see
That's the price that we've all paid our valued destiny comes to nothing
I can't tell you where we're goin', I guess there was just no way of knowin'I used to think that the day would never come
I'd see the light in the shade of the mornin' sun
My mornin' sun is the drug that brings me near
To the childhood I lost, replaced by fear
I used to think that the day would never come
That my life would depend on the mornin' sunI feel so extraordinary, somethin's got a hold on me
I get this feelin' I'm in motion, a sudden sense of liberty
The chances are we've gone too far
You took my time and you took my money
Now I fear you've left me standin' in a world that's so demandin'I used to think that the day would never come
I'd see the light in the shade of the mornin' sun
My mornin' sun is the drug that brings me near
To the childhood I lost, replaced by fear
I used to think that the day would never come
I'd see the light in the shade of the mornin' sunI used to think that the day would never come
That my life would depend on the mornin' sun
