

Love Never Dies

Andrew Lloyd Webber

Who knows when love begins
Who knows what makes it start
 One day it's simply there
Alive inside your heartIt slips into your thoughts
 It infiltrates your soul
 It takes you by surprise
Then seizes full controlTry to deny it
 And try to resist
 But love won't let you go
Once you've been possessedLove never dies
 Love never falters
 Once it has spoken
Love is yoursLove never fades
 Love never alters
 Hearts may get broken
 Love endures
 Hearts may get broken
Love enduresAnd soon as you submit
 Surrender flesh and bone
 That love takes on a life
Much bigger than your ownIt uses you at whim
 And drives you to despair
 And forces you to feel
More joy than you can bearLove gives you pleasure
 And love brings you pain
 And yet when both are gone
Love will still remainOnce it has spoken
 Love is yours
 Love never dies
Love never altersHearts may get broken
 Love endures
 Hearts may get brokenLove never dies
 Love will continue
 Love keeps on beating
When you're goneLove never dies
 Once it is in you
 Life may be fleeting
 Love lives on
 Life may be fleetingLove lives on
