

# World Peace

Dj Serow

World peace or world talk?  
Yeah  
One, two, three, fourIf we really want world peace and we want it right now  
We must make up our minds to take it  
(Right now)If we really want world peace and we want it right now  
(Right now)  
We must make up our minds to take itTake it right now, don't hesitate, world peace  
You want world peace? World peace  
Peace take it or world talk?  
World peace, world peace, world peaceYo, a lot of people are under the assumption  
That peace is soft or somethin'  
We must begin to reprogram our thought  
From how we were taught back in school, and our TV screensStrength, is always mean  
Love, is always soft  
And peace is too peaceful  
When all are equalSit back, and read the papers  
About the murderers, thieves, and rapists  
We depend on police for justice  
But when do we say, enough is enoughRight now and call their bluff  
It's not a matter of fronting like you're tough  
It's a matter of takin' yours  
And livin' universal laws'Cause those laws, cannot be bribed  
Nor changed, or paid on the side  
You must come correct and walk straight  
More love, less and less hateWhen you walk, walk with authority  
Tell the negative people, don't bother me  
Move your face away, I ain't with it  
In a minute, I'm gonna hit itIf we really want world peace and we want it right now  
We must make up our minds to take it  
(Right now)If we really want world peace  
(World peace)  
And we want it right now or world talk  
(Or world talk?)  
We must make up our minds to take it  
(Break it down, take it, yeah, world peace)  
(Yeah come in)Crash, smash, don't ask  
When the negative disrupts the class  
How much longer? Get stronger  
The battle is getting longerWorld, peace, or world talk

Do we run? Or do we walk?  
Charge, if you want world peace, take it  
'Cause a lot of our leaders fake it, fraudIt's similar to Armageddon  
When the positive people stop lettin'  
The negative, control, how we live  
Listen to the music I giveIf we really want world peace and we want it right now  
We must make up our minds to take it  
(Take it)If we really want world peace and we want it right now  
(World peace)  
(Right now)  
(Or world talk?)  
We must make up our minds to take it  
(Take it)If we really want world peace and we want it right now  
(World peace)  
We must make up our minds to take it  
(Right now)If we really want world peace and we want it right now  
(Come in now)  
We must make up our minds to take it  
(World peace or world talk?)If we really want world peace  
(Yes I do)  
And we want it right now  
(When can I get it?)  
We must make up our minds to take it  
(Come in)If we really want world peace  
(That's it)  
And we want it right now  
(Right now)  
We must make up our minds to take it  
(I want it now)If we really want world peace  
(I want it right now)  
And we want it right now  
(We need it right now)  
We must make up our minds to take it  
(No talk, world peace)If we really want world peace  
(Peace)
