

Will You (Album Version)

P.O.D.

See you sittin' next to the window in the bedroom
She brakes down - brakes down
Crying over something and starin' into nothin'
Afraid now - hate now
Wanting, needing, haunting, it's killing me
Faking what has happened to live the life like that man
I'll brake down - It's fake now Will you, Will you love me tomorrow?
So Will You, Will you stay with me today? Fade in and out of reason to fight the way she's feelin'
She brakes down - brakes down
Going through the motions and holding onto hopes
and her dreams now - somehow
Shaken, mistaken, forsaken, it's killing me.
Wishing you could change, but he's always been this way
If you leave now - I'll drown Will you, Will you love me tomorrow?
So Will You, Will you stay with me today?
Will you, Will you be here tomorrow?
So Will You, you remember yesterday? Yesterday! Yesterday!
Yesterday! Yesterday! This time, I'm sorry
This time, I'm sorry
This time, this time, I'm sorry for this time
This time, this time, I'm sorry
This time I'm sorry! Will you, Will you love me tomorrow?
So Will You, Will you stay with me today?
Will you, Will you be here tomorrow?
So Will You, you remember yesterday? Will you?
So Will You?
Will you?
