

If You Change Your Mind

Love Committee

It hurts.

I guess this seems funny seeing a man with tears falling down his face,
But there's no way I can change your mind and, this is how I feel about you.

But I want you to always know, that you have the key to my door.

I'll never change the locks baby.

If you change your mind, I'll be waiting,

So that we can start all over new..

(We can start all over new)

I look in the mirror and all I see is you (Youuu)

Sleeping with my pillow, pretending that it's you

I'm so alone. Please phone. Are you ever coming home?

I ain't been loved since you've been gone.(Oooohhh)

If you change your mind, I'll be waiting,

At the end of the road, for you girl. Oooohhh..

If you change your mind, I'll be hoping,

That we can start all over new..

(We can start all over new)

Waiting and hoping that someday you'll return. (Turnnn)

Wishing and thinking, while my heart slowly burns

Over you, it's true. But it's all up to you.

It's gotta be, gotta be up to you.

If you change your mind, I'll be waiting,

Ooh, at the end of the road, just for you girl. Oooohhh..

If you change your mind, I'll be hoping,

That we can start all over new..

Oooooohhhh, If you change your mind, I'll be waiting,

By the end, the end of the road, just for you girl. Oooohhh..

If you change your mind, darling I'll be hoping,

We can start all over new.. no one but you

You gotta change your mind.....
