

# Down to My Last Teardrop

Tanya Tucker

They said your love life's in trouble in a magazine I read  
When the one you love is hangin' off of his side of the bed  
Baby, you just barely hangin' on  
Honey, I know you'll soon be gone And I don't need my palm read to know what lies ahead  
I can see you in the arms of another girl instead  
Baby, this ain't the first time you done it to me  
Honey, it's gonna be the last time And I know you think that I'll be goin' out of my mind  
Crying you a river that winds and winds and winds  
Oh, but baby I'm down to my last teardrop this time I don't care a hoot or what you're doin'  
Ain't gonna be no more boohoooin'  
Baby, this time I swear it's the truth  
I ain't gonna cry no more for you Now I know where I'm goin' baby I know where I'm bound  
I've been re-arranging chairs on a ship that's goin' down  
Baby, just step aside if you will  
Honey, it's really over for good And you might want to talk to me, you might want to call  
But you won't hear nothin' out of me at all  
'Cause baby, I ain't got nothin' left to say  
Honey, I'll just be on my way And I know you think that I'll be goin' out of my mind  
Crying you a river that winds and winds and winds  
Oh, but baby I'm down to my last teardrop this time I don't care a hoot or what you're doin'  
Ain't gonna be no more boohoooin'  
Baby, this time I swear it's the truth  
I ain't gonna cry no more for you And I know you think that I'll be goin' out of my mind  
Crying you a river that winds and winds and winds  
Oh, but baby I'm down to my last teardrop  
Baby, I'm down to my last teardrop  
Baby, I'm down to my last teardrop this time
