# On Your Own

## Fryars

Oh, Oh, Goodnight hush now baby, go to sleep
I've read your bedtime story, kissed your cheek
And just like Humpety Dumpety, yeah, the damage is ... deep
I've taken a tumble but now I roll to my feet
Oh, Baby I'm sure, 'cause
Ohhhh..., I have such clarity, I'm flying above, you've lost all control
What are you gonna do now?
You're on your own, yes you are
You're on your own, yes you are
Goodbye sugar sweetness, love so deep
This game is truly over, time to weep

Oh, I have such clarity, I'm flying above, you've lost all control
What are you gonna do now?
You're on your own, yes you are
You're on your own, yeah baby yes you are, wow
[guitar solo]Oh..., I have such clarity, I'm flying above, I've lost all control
What are you gonna do now
You're on your own, baby yes you are
You're on your own, yes you are, yeah, yeah, yeah, yeah, yeah, yeah
You're on your own, baby yes you are
You're on your own, yes you, yes you, yes you, yes you... are...
You're on your own, yes you are
