

# Still Thinking About You

## Scouting for Girls

Since we met, there's been one thing on my mind.  
Not like that, but probably not far behind.  
You're the best, you're the best thing I've ever known.  
Don't forget, don't forget that I love you so. I wake up

Thinking 'bout you

I go to bed

The same thing is true

And in between guess what I do?

I'm still thinking about you.

I'm still thinking about you

It's the only thing I know how to do

I'm still thinking about you

Still thinking about you

Since you left, there's still one thing on my mind.

Just like that, why you walked out of my life?

You're the best, the best thing that I ever knew.

Don't forget, I'll be here whatever you choose.

I wake up

Thinking 'bout you

I go to bed

The same thing is true

And in between guess what I do?

I'm still thinking about you.

I'm still thinking about you

It's the only thing I know how to do

I'm still thinking about you

Still thinking about you

When I'm at the end I know what I'll be doing

I will remember you face as I knew it

When I'm at the end I know what I'll be doing

I'll be still thinking about you

I'll be still thinking about you

I'll be still thinking about you

I'm still thinking about you

It's the only thing I know how to do

I'm still thinking about you

Still thinking about you

One year on I'll be thinking 'bout you,

Ten years on the same will be true,

Even when I'm Seventy Two,

I'll be thinking about you.
