Revolution

P.O.D.

More calm than a heartbeat that flat lines
Quiet like a dark street under the moonlight
A phrase of action that's been screamed by the guts of men
Ever since their first experience
Injustice, prejudice, discriminationA word louder then a gunshot
And softer then a baby's laugh, it will pass
Just like it always has, until it spits off the lips
The next man who's had it upto hereDid somebody say a revolution?
Or is it all in my head?
Is that what it takes to make a solution?
Your revolutionNot the first or the last to imagine it
Acknowledge the concepts, question and grasp it
Rebel against the I and bring down the self
Mutiny me! Overthrow you!
Rebellion starts within, the time is nowDid somebody say a revolution?
Or is it all in my head?
Is that what it takes to make a solution, solution?Did somebody say a revolution?
Or is it all in my head?
Is that what it takes to make a solution?
Your revolution
(Your revolution)Purple skies, Devil eyes, hypnotize
Little lies, compromise, fireflies
Samurais, parasite, fly by night, after life, materialize
Look alike, stereotype, do or die, lullabies, black and whiteDid somebody say a revolution?
Or is it all in my head?
(Your revolution)
Is that what it takes to make a solution, solution?
(Your revolution)Did somebody say a revolution?
Or at least, it's been said
(Your revolution)
Is that what it takes to make a solution?
Your revolutionNo resolution
(Your revolution)
And what's your solution?
(Your revolution)
And no substitution
(Your revolution)
And no resolution
(Your revolution)

And what's your solution?
